Leif Erickson has accepted a position as the Executive Director of Flight For Life. As a native of Racine, Wisconsin, he brings over 30 years of private and public experience in pre-hospital and hospital settings, including 22 years of service in career and volunteer fire departments, hospital management, and as an educator for the Wisconsin Technical College System.

Joining Milwaukee Regional Medical Center/Flight For Life as a Flight Paramedic in 2005, Leif has held many positions during his tenure including Flight Paramedic, Education Coordinator, Operations Manager, and Director of Operations.

Leif holds an Associate Degree in Fire Science from Milwaukee Area Technical College, a Bachelor of Arts degree in Healthcare Management from Ottawa University, is a graduate of the Paramedic Program at Gateway Technical College, and studied Critical Care Medicine at the University of Baltimore, Maryland. He is also a 2021 candidate for a Master of Business Administration degree from Ottawa University.

Leif's education, experience, passion for critical care medicine, dedication to the communities of southeast Wisconsin and leadership abilities are welcomed as Flight For Life maintains excellence in the medical aviation industry.
